Please reply with this form and the following attachments:

- In 450 words or less, explain what inspired you to pursue/explore a manufacturing-related career in trades and how has this shaped your passion for your chosen field.
- How do you envision your career trajectory, and how will this scholarship support your goals (ex. pursuing specialization, starting your own business, purchasing tools)
- Please list related certifications you have completed.
- Current Resume
- A letter of reference from a teacher or employer.
- Submit 1 or 2 photographs to support your application for the Manufacturing Scholarship.

Thank you for your application!
